

### RFA-02-5-T100-3M-W

#### Specifications

|                 |                     |
|-----------------|---------------------|
| Frequency range | 2400 MHz – 2500 MHz |
| Antenna gain    | 5 dBi               |
| VSWR            | 2.0 : 1 Max.        |
| Polarization    | Linear, vertical    |
| Impedance       | 50 $\Omega$         |
| Cable           | ULA100              |
| Cable Length    | 3M                  |
| Connector       | SMA PLUG            |

#### Environmental & Mechanical Characteristics

|                   |             |
|-------------------|-------------|
| 動作環境- Temperature | -40 ~ +80°C |
| 動作環境- Humidity    | 25 ~ 85%    |
| 保存環境- Temperature | -40 ~ +90°C |
| 保存環境- Humidity    | 25 ~ 85%    |
